Additional details:.....  
.....  
.....  
.....  
.....

## TERMS and CONDITIONS:

*The SEB Cell Culture is a PC2 facility; only risk group 2 organisms ( or lower) will be accepted.  
All cell lines must be logged on sheets provided in the lab. Researchers/students must update staff members if the cell lines they are using have changed. Researchers/students are responsible for having a secondary back-up of frozen cell stocks in another location in the unlikely event of a liquid nitrogen dewar problem in the SEB laboratory.*

## DECLARATION:

I.....(user) have read and understood the above document and the terms and conditions. I have informed my supervisor of the prices listed on this form for registration/or training and we agree to pay for the service outlined accordingly.
