IMPORTANT - By signing this form you are agreeing to our access conditions for the laboratory. (1) You may not allow unregistered users into the Spectroscopy Laboratory without permission from the laboratory manager; (2) You shall not give your zID and zPass to unregistered users to log on to the instrument computers. This is strictly forbidden and access to both users will be suspended for 3 months; (3) You agree to follow our safety procedures; (4) Instruments on our on-line booking system must be booked prior to use. Unused time should be unbooked to enable others to use the equipment. Users who consistently use less than 50% of their booked time may be charged for the full booking; (5) The Spectroscopy Laboratory takes no responsibility for your samples, and they must not be left in the laboratory after your analysis and users who consistently fail to clean up will lose access to the laboratory.
